

# Dai Banna SIL - Character Set Support

Dai Banna SIL includes a complete set of New Tai Lue consonants, vowels, tones and digits, along with punctuation and other useful symbols. Chinese punctuation used in New Tai Lue texts, and a basic set of Latin characters, are included as well. Inclusion of a basic Latin repertoire is provided as a convenience, e.g., for use in menus or for displaying markup in text files. These fonts are not intended for extensive Latin script use.

## Supported characters
